Module 1: Introduction to Community Health Work

Section 1.1: The Role and Importance of CHWs

Your course content lives in the Left Sidebar.

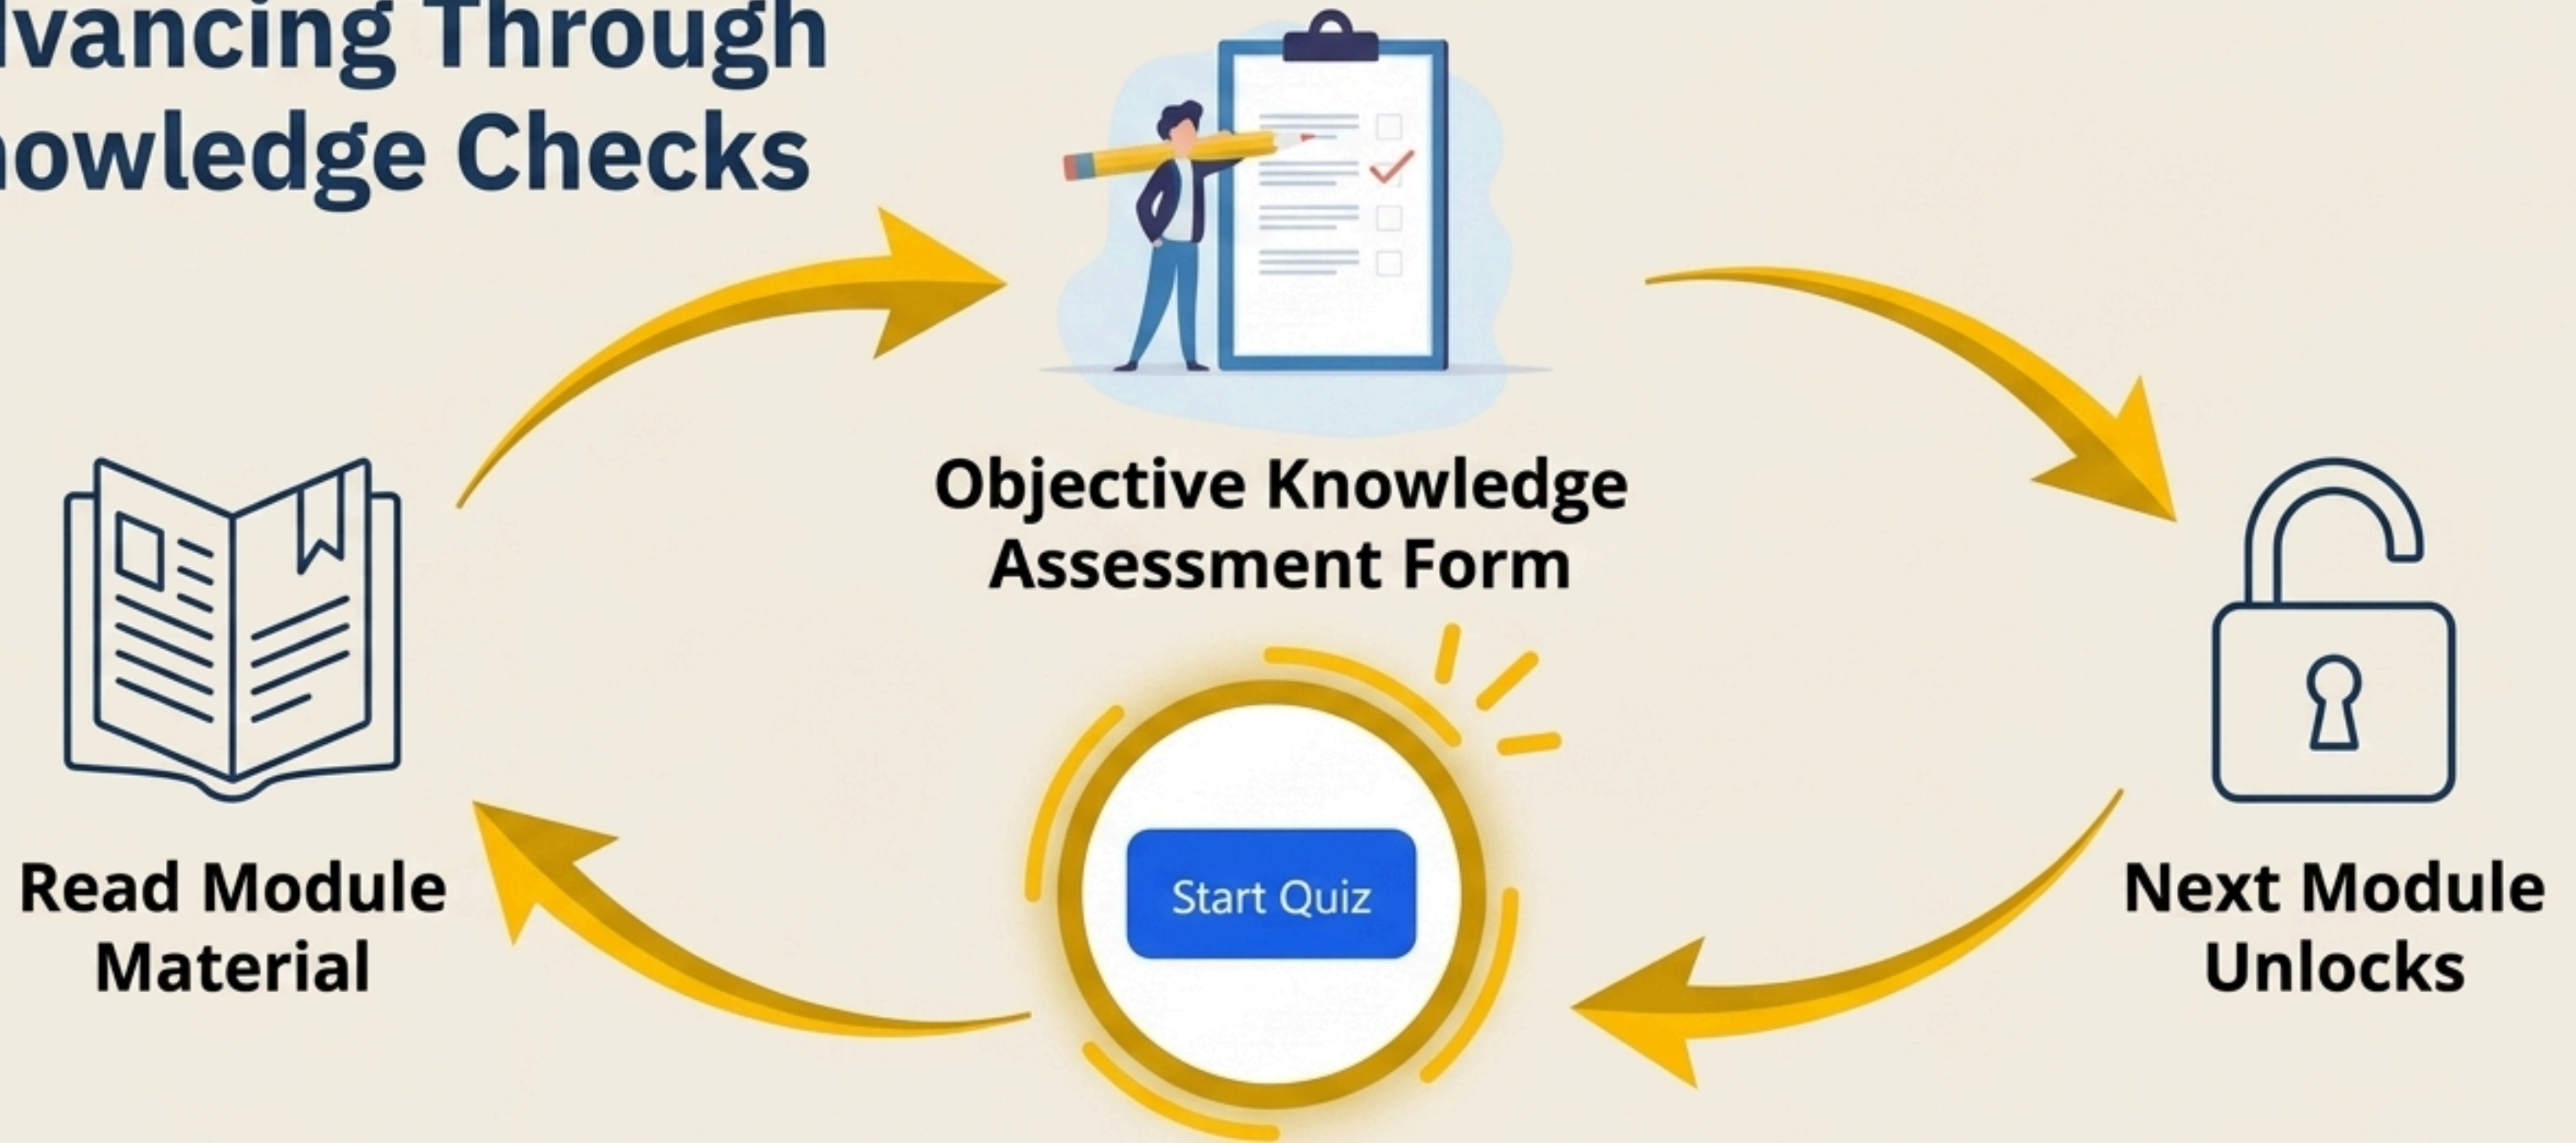

Click the (+) icons to expand a module and view its lessons.

Look for the **Green Checkmarks**—the system automatically tracks your progress as you finish reading each section.

Advancing Through Knowledge Checks

To complete your hours for a given section, you must successfully pass the end-of-module Assessment.

Click the blue **Start Quiz** button to begin.

Passing the assessment automatically unlocks your next set of coursework.
